Byron, Janet

I'm about to head off to Korea for the next week+. I wanted to pass along to you both the latest versions of the draft testimony, Euro Qs&As and a separate set of Qs&As that we pulled from the VW materials, and other places.

OECA and OGC have weighed in on the testimony and our responses to the Euro Qs. The attached documents reflect all comments/edits to date.

Please review the testimony and provided any edits/comments that you may have.

Thanks for your help.

Jim
